

Limudei Kodesh Seforim List 21-22

Dear Parents,

It is important for every Jewish home to be a Bayis Molei Seforim, a home filled with Seforim. By purchasing Seforim of their very own, our students can begin to build their very own Jewish library.

At the request of many of our parents we have added links to the recommended editions of each of the Seforim on the list.

You are welcome to purchase these *Seforim* on your own at your local Judaica store or from one of the many online Seforim stores.

Ohr Hatorah will not be supplying these *Seforim*, so please ensure that you have the full list before the first day of the term.
